Dear

We cordially invite you to attend the Meta-Connectomics Workshop. The Meta-Connectomics Workshop is a Satellite Event of the 29<sup>th</sup> Annual Meeting of the Organization for Human Brain Mapping (OHBM 2023), which will be held July 22 – July 26, 2023, in Montreal, Canada.

The Meta-Connectomics Workshop will precede OHBM 2023 by one day, being held on Friday, July 21, 2023 at the Montreal Neurological Institute, McGill University, 3801 Rue University, de GrandPre Communications Center, Montreal, Canada.

The Meta-Connectomics Workshop will teach network modeling of the coordinate-based literature, with lectures and hand-on training provided by BrainMap Project team and collaborators. As well, BrainMap HCP will be debuted, providing a meta-analysis ecosystem including data, analysis applications and high-performance computing via the Texas Advanced Computing Center (TACC). For further information see: <http://brainmap.org/workshop>.

This letter of invitation is intended to facilitate your visa application and/or pre-authorization to travel from your host institution. The Research Imaging Institute and the BrainMap Project will not be providing financial support for this delegate including travel, registration fees or local expenses relative to the workshop.

Sincerely,

Peter T. Fox, MD
